PROFESSIONAL SUMMARY

Licensed Loan Officer with experience guiding borrowers through the full mortgage lifecycle — from application through closing — with expertise in conventional, FHA, VA, and jumbo products, underwriting analysis, and federal lending compliance (TRID, RESPA, HMDA).

Seeking to transition mortgage origination and financial services expertise into a banking career focused on lending, relationship management, or branch operations.

WORK EXPERIENCE

New American Funding

Loan Officer

Fort Worth, TX

May 2025 – Present

- Originate and manage a pipeline of residential mortgage loans including conventional, FHA, VA, and jumbo products.
- Conduct financial analysis of borrower income, assets, credit history, and DTI ratios to determine loan eligibility.
- Build referral relationships with real estate agents and financial advisors to drive consistent loan volume.
- Ensure compliance with federal lending regulations including TRID, RESPA, HMDA, and Fair Lending requirements.
- Trained in non-traditional loan products to serve complex borrowers, including self-employed clients and those requiring creatively structured mortgage solutions.

BNSF Railway

Customer Support Analyst

Fort Worth, TX

September 2024 – May 2025

- Managed complex customer accounts across international and domestic freight networks, providing tailored solutions to resolve shipment disputes and service failures.
- Analyzed client shipment pipelines to identify bottlenecks and proactively communicate status updates, reducing escalations and improving customer satisfaction.
- Coordinated cross-functionally with operations, billing, and logistics teams to ensure accurate and timely resolution of customer issues.
- Developed a thorough understanding of freight contracts, service agreements, and compliance requirements in a highly regulated transportation environment.

Farmers Insurance

Protege Producer

Fort Worth, TX

June 2024 – July 2024

- Obtained P&C and Life & Health general lines licenses within 2 weeks; ranked among the top producers in the district within the first month of selling.

Webb Global Transfer

Director of Operations

Flower Mound, TX

May 2023 – June 2024

- Managed operations across 15 global warehouses, overseeing 5,000 truckloads and 900 imported containers from 13+ countries.
- Negotiated long-term vendor and client contracts; developed credit verification and onboarding frameworks analogous to loan underwriting workflows.
- Built proprietary software for full freight project transparency, improving financial accountability and reporting accuracy.

KEY ACCOMPLISHMENTS

- Graduated at the top of the Loan Officer training class at New American Funding, achieving the highest lead conversion rate in a fast-tracked, high-performance sales environment.
- Managed 5,000 truckloads delivered to manufacturers, service centers, and distributors across the U.S.
- Oversaw 900 imported containers from 13+ countries, coordinating financial details across international stakeholders.
- Ranked top producer in district within 30 days of obtaining insurance licensure.

EDUCATION & LICENSES

Texas Tech University | 2019–2022 | GPA: 3.7 | Bachelor of Business | NMLS Licensed Mortgage Loan Originator
