PROFESSIONAL SUMMARY

- Licensed Loan Officer with hands-on experience guiding borrowers through the full mortgage process, from application to closing, with a strong command of loan products, underwriting guidelines, and regulatory compliance.
- Proven ability to build and maintain client relationships, translating complex financial information into clear solutions tailored to individual borrower needs.
- Background in financial services, contract negotiation, and operations management with a track record of developing efficient processes that improve performance across departments.
- Seeking to leverage mortgage origination expertise and financial acumen in a banking career focused on lending, relationship management, or branch operations.

WORK EXPERIENCE

New American Funding

Loan Officer

Fort Worth, TX
May 2025 – Present

- Originate and manage a pipeline of residential mortgage loans including conventional, FHA, VA, and jumbo products.
- Conduct thorough financial analysis of borrower income, assets, credit history, and debt-to-income ratios to determine loan eligibility.
- Guide clients through the full mortgage lifecycle — application, pre-qualification, disclosure, processing, underwriting, and closing.
- Build and maintain referral relationships with real estate agents, financial advisors, and past clients to drive consistent loan volume.
- Ensure strict compliance with federal lending regulations including TRID, RESPA, HMDA, and Fair Lending requirements.
- Consult with borrowers to match loan products to their financial goals, improving client satisfaction and closing rates.

BNSF Railway

Customer Support Analyst

Fort Worth, TX
September 2024 – May 2025

- Delivered high-volume customer service solutions for international and domestic freight clients, strengthening client retention through proactive communication.
- Analyzed customer shipment pipelines to identify efficiencies, applying data-driven problem solving to reduce friction in complex logistics scenarios.

Farmers Insurance

Protege Producer

Fort Worth, TX
June 2024 – July 2024

- Obtained Property & Casualty and Life & Health general lines licenses within 2 weeks, demonstrating rapid mastery of financial and insurance products.

- Ranked among the top producers in the district within the first month, leveraging consultative selling to match clients with appropriate coverage.

Webb Global Transfer*Director of Operations*

Flower Mound, TX

May 2023 – June 2024

- Led operations for a global logistics firm, overseeing contracts, vendor relationships, and project execution across 15 warehouses at major ports worldwide.
- Negotiated long-term contracts with vendors and clients, developing credit verification processes and onboarding frameworks analogous to loan underwriting workflows.
- Developed cost-saving supply chain solutions, managed multi-million dollar freight projects, and created departmental SOPs to standardize procedures.
- Attended industry trade shows and conferences to build client relationships and secure long-term service agreements.

TTI, Inc.*Product Operations Intern*

Fort Worth, TX

May 2022 – August 2022

- Managed cross-departmental projects and contributed to operational improvements in a large-scale manufacturing and distribution environment.

KEY ACCOMPLISHMENTS

- Managed logistics operations for 5,000 truckloads delivered to manufacturers, service centers, and distributors across the United States.
- Oversaw importation of 900 containers into the United States from more than 13 countries, coordinating financial and operational details across international stakeholders.
- Developed proprietary software enabling full transparency across international freight and supply chain projects, improving financial accountability and reporting accuracy.
- Achieved top producer status in a competitive insurance district within 30 days of licensure, demonstrating strong sales performance in a regulated financial services environment.
